

International Staple, Nail and Tool Association

Power Fastening Safety and
You:

A Partnership

Course Objectives

- Get information that will educate and encourage tool users to work safely and effectively on the job.
- Learn the four work habits that are vital to the safe use of power nailers and staplers.

Why Safety?

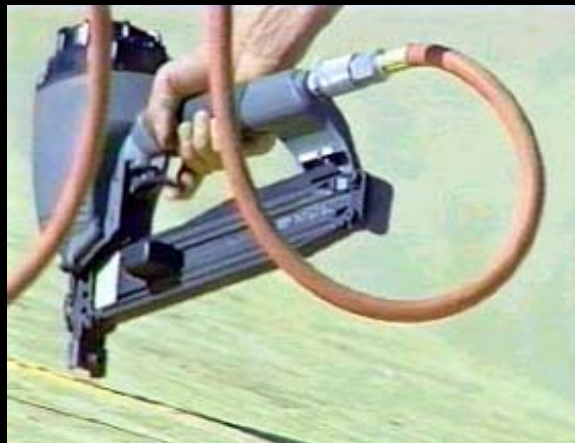

- Every employer has a legal responsibility to provide a safe and healthful work environment.
- Insurance rates go up when accidents happen.
- Accidents waste money and are a financial burden.
- It's the right thing to do.

Safety
is the choice
to make decisions
that reduce the
risk of injury or loss.

Vital Work Habits

1. Choose a Trigger System for your Specific Needs.

2. Keep your Finger Off the Trigger.

Power Fastening Safety and You: A Partnership
